Mr. Kennington, of Burrville, was in town Wednesday.

J. R. Hull has sold out the mail route from here to Rugby Road to W. Humple. It is a good job for anyone that likes hard work and small pay.

Representative Moody, of Fentress Co., passed through here Wednesday, on his way to Nashville.

What has become of the Society for the suppression of Gossip? A sufferer.

A party from Cincinnati, consisting of Messrs. Bevis, Gosling and Davis, are investigating the lumber business here, and enjoying a little hunting. It is most to wet to be agreeable getting around in the woods.

H. W. Giles was fortunate enough to kill a wild turkey this week.

We understand that Mr. J. O. Hamby, of Glen Mary, will move to Rugby about April 1.

L. H. Young and H. W. Giles went out to Mt. Vernon last Sunday, and say they are going again. Boys, what are the attractions?

Mr. T. J. Duncan, of Cincinnati, was in town Thursday.

Our compositor is addicted to rather late hours at his work, and late one night this week, perhaps to be exact we should say early in the morning, as he was mailing a letter, he chanced upon a belated young gentleman just returning to his room, who began to offer excuses for being out so late, but our compositor remembered the days of his youth and told the young gentleman that it was not very late.

Do not lay this on our A. P. M. for he is always home early.

GUESTS AT THE TABARD.

Messrs. C. N. Davis, A. T. Bevis, Wm. Gosling and A. C. Harper, of Cincinnati; J. B. Moorly, Jamestown; W. F. G. Wilson, Armatawaite.

A portion of the dam, across Clear Fork at the Burnt Mill Ford, on which the machinery for the mill was to rest, was swept away by the high water Monday Night. It will be some time before it can be rebuilt, on account of the high water.

Last Monday while Berry Goad was crossing the railroad track near Helenwood, his horse was struck by a fast train and though Berry was on the horse he came out without any serious damages, but the horse was killed.

W. L. Leak was in Harrison Tuesday.

PLEASANT STORIES

A second-year student at a hall school. From a story written by Miss Brown.

There a bold fellow has been bowled out by the "flying ball."

That young girl who dropped a basket of eggs while riding made a mark.

The man who was fishing for other one almost; but he was by a scratch.

Sam the lecturer: "The roads up these mountains are too steep and rocky for even a donkey to climb; therefore, I did not attempt the ascent."

A somewhat fellow: Fogg says his friend Fungy is so cold that he never catches cold and couldn't get within hailing distance of the slowest of slow drivers.

An old man of 60 died of Boston Island while waiting for the hour appointed for his wedding. Nothing strange in this; lots of old fellows die in anticipation of the event.

Town thinks there should be few ghosts in the play of "Hamlet," quoting in support of his theory a line from Gray's elegy: "The rude form of Hamlet sleep."

A CHORUSMAN named On Tick is about to start a laundry in Detroit. This will leave no reasonable excuse for any one to fail to appear in a clean shirt on Sundays.—Free Press.

Somebody says just beginning a new improving lesson upon minerals to the juniors: "Now, what are the principal things we get out of the earth?" Youthful answer, and a (confidently) "Worms."

A GENTLEMAN, in conversation with a lady, ventured the grace and wit of a new acquaintance whom he had met at a watering-place. "Is she pretty?" asked the lady. "Not so bad," he answered; "indeed, she resembles you somewhat—in look."

CANT SLEEP? NIGHTS

Is the complaint of thousands suffering from Asthma, Consumption, Coughs, etc. Did you ever try Dr. Acker's English Remedy? It is the best preparation known for all Lung Troubles. Sold on a positive guarantee at 25c. and 50c. Mrs. J. A. Dimling.

A CHILD KILLED.

Another child killed by the use of opiates given in the form of Soothing syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Dr. Acker's Baby Soother. It contains no opium or morphine. Sold by Mrs. J. A. Dimling.

WHY DO YOU COUGH?

Do you know that a little cough is a dangerous thing? Are you aware that it often fastens on the lungs and far too often runs into Consumption and ends in Death? People suffering from Asthma, Bronchitis, Pneumonia and Consumption will all tell you that

"IT STARTED WITH A COLD."

Can you afford to neglect it? Can you trifle with so serious a matter? Are you aware that

DR. ACKER'S ENGLISH REMEDY

for Coughs, Colds and Consumption is beyond question the greatest of all Modern Remedies? It will stop a Cough in one night. It will check a Cold in a day. It will prevent Croup, relieve Asthma and cure Consumption if taken in time. "You can't afford to be without it." A 25 cent bottle may save you \$100 in Doctor's bills—may save your life! Ask your druggist for it, or write to W. H. HOOKER & Co., 46 West Broadway, New York, for book.

"Seeing is Believing."

"The Rochester."

And with it there is no smoke, no small, no broken chimney, no flickering, no sweating, no climbing up of the flame, no "tantrum" nor annoyance of any kind, and it never needs trimming. Its founts (oil reservoirs) being tough rolled seamless brass, with central draft, it is absolutely unbreakable, and as safe as a falling candle.
Only five years old and over two million of these lamps in use. It must be a GOOD lamp to make such a telling success. Indeed it is, for lamps may come and lamps may go, but the "Rochester" shines on forever! We make over 2,000 artistic varieties.—Hanging and Table Lamps, Banquet, Study, Vase and Piano Lamps—every kind, in Brass, Porcelain, Bronze, Nickel and Black Wrought Iron.
Ask the lamp dealer for it. Look for the trade-mark stamp: "The Rochester." If he hasn't the genuine Rochester and the style you want, or if no lamp-store is near, send to us for free illustrated catalogue (and reduced price-list), and we will box and send you any lamp safely by express, right to your door.
